

Lost in Langley?

Encrypted K3/4 Horizontal Assembly

[illegible]

Hubert Bonisseur de la Bath, alias OSS 117, strikes again! And makes it into Kryptos lore. You know, the original Colonel de la Bath also has Louisiana connections.... Do not mix this up with the latest French film parody dude, who works for SDECE ,S-DECK, that came long after 1989.

The OSS 117 books are mainly available in French, probably not an obstacle for someone who spent many years working the one time pads at the sharp end in lesser known parts of old French IndoChina....

The first OSS 117 film, [*OSS 117 n'est pas mort*](#) (*OSS 117 Is Not Dead*), was made in 1957 with [*Ivan Desny*](#) (the original ID?) as OSS 117. ^[6]
