

Code, DNA, Earth, a clock, a Disk,  
 we made these 8 designs from the  
 numbers 23 and 46 of our DNA  
 XX for a girl and XY for a boy.  
 These 8 designs made on our Earth  
 formed eight ways of all people,  
 love, the time, to emit, the love,  
 peace, to loop, the pool, to peace

we wonder what will happen in 2346  
 so we left these 8 designs of DNA  
 to help find a worth in and then  
 of our planet Earth that God his  
 son Jesus and The Holy Ghost had  
 given us all DNA, to life, love, ea,  
 what will the news see that year?  
 let us all pray for each. w.c.p. 2014 ©
